HEALTH CARE

If you want to make a difference in the lives of your neighbors, we have a place for you in the Auxiliary of Mon-Vale Health Resources, Inc.

### A Little History and a Lot of Help

The Auxiliary has its roots in two strong hospitals whose histories span more than 100 years. Monongahela Valley Hospital's Auxiliary was formed in 1978 by the merger of Monongahela Memorial Hospital Auxiliary, which was formed in 1902, with Charleroi-Monessen Hospital Auxiliary, which was organized in 1909. The two auxiliaries merged when the two hospitals joined together to form Monongahela Valley Hospital.

No matter what name it went by, the volunteer group has always been a frontrunner for defining the term "working Auxiliary." Our volunteers give of their time to work shoulder-to-shoulder with hospital employees to make Monongahela Valley Hospital a great place to give and receive medical care.

### Opportunities

The Auxiliary's **Active** and **Associate** members provide support services and amenities to the hospital's patients and visitors as well as some of the youngest members of our community. Volunteer opportunities include:

- Child Registry
- Elevator Service
- Favors and Crafts
- Front Reception Desk
- Gift Cart/Gift Shop
- Inpatient Oncology Hostess Service
- SameDay Surgery Callback
- Volunteers

**Patron** members are people who want to help the hospital but just do not have the time or they may have physical limitations. They donate annual dues and provide financial assistance to the Auxiliary.
